RE: Christopher Daigle Reference

To Whom It May Concern:

It is with great pleasure that I write this reference letter pertaining to Chris Daigle of Winterberry Irrigation, LLC.

I am the Vice President of Stonehedge Landscaping and Garden Center and have worked with Chris Daigle of Winterberry Irrigation, LLC for a great number of years on numerous projects.

Chris' work ethic is astounding and that carries over into every crew member at Winterberry. Chris' business sense and knowledge of irrigation is vast, and his ability to run a multitude of projects along with multiple crews is seamless, no matter how large or complicated the project may be. Chris and his team are always willing to lend a helping hand and take the time to discuss any factors that may arise on a project and come up with ideal solutions.

I would highly recommend Chris Daigle and Winterberry Irrigation, LLC

Thank you

Sincerely,

Stephen Woods  
Vice President
